Vaneese Thomas is one of the great voices of our time. Part of a musical royal family that includes her father R n' B pioneer Rufus Thomas and chart-topping sister Carla Thomas, Vaneese has brought her vocal styling to hundreds of recordings.

This new project shows another side to the versatile singer. She digs deep and taps into her southern heritage to bring forth a roots album that is authentic and true. Every track adds to the blues and soul legacy that is hers to claim. She dedicates it to her legendary father whose work will never be forgotten.
